Education

Techno India University   **August 2022 – July 2025**
*Bachelor of Technology in Computer Science - **8.96 CGPA***   *Kolkata, West Bengal*

Government Polytechnic Katihar   **August 2019 – August 2022**
*Diploma in Engineering - **9.01 CGPA***   *Katihar, Bihar*

Bijendra Public School   **March 2018 – April 2019**
*10th CBSE - **91%***   *Purnea, Bihar*

Experience

Jobgenix   **December 2024 – April 2025**
Software Developer Intern

- Implemented responsive UI components for web applications using **Next.js** and **Tailwind CSS**, ensuring consistency across features.
- Translated evolving product requirements into functional components, improving design uniformity and adaptability.
- Debugged and optimized existing codebases, reducing recurring UI issues and enhancing overall user experience.
- Built and documented reusable components, accelerating development speed across multiple pages and features.
- Contributed in **agile workflows** by actively participating in stand-ups and discussions, fostering collaboration and streamlined delivery.

Projects

Anonify   Live Link

- Led a **4-member team** to develop a **SaaS tool for secure redaction**, integrating **customizable redaction levels** for enhanced **data privacy and compliance**.
- Developed the **Landing Page and Upload Page** with **React.js, Tailwind CSS**, and **React Query**, improving document upload efficiency by **30%**.
- Implemented **dynamic text selection/deselection** on the Review Page, cutting average editing time by **25%**.

Vihaan   Live Link

- Developed an **Event Registration application** using **React.js** for a **Tech Fest**, enabling the registration of **250+ participants**.
- Boosted engagement by **34%** through an intuitive interface designed with **user-centric principles**.
- Collaborated with teammates to design a scalable frontend structure, ensuring smooth navigation and reducing registration time by **15%**.

Skills

Languages: C++, Core Java, HTML, CSS, JavaScript
Frameworks Libraries: React, Next.js, Bootstrap, Tailwind CSS
Database: MySQL
Tools: Git, GitHub, VS Code

Achievements

- **Anonify Project** shortlisted for the **final round of STEP at IIT Kharagpur**.
- **Finalist** at **AI Unite Hackathon 2024**, selected among **100+ teams**.
- Secured **Top 5 rank** in **Technothon AI Hackathon 2024**.
- Achieved **AIR 416** in **CodeKaze Coding Competition 2024** out of **15,000+ participants**.
- **Top 25 finalist** in **Smart India Internal Hackathon 2023**.
- Ranked **7th** among **1500+ students** at GFG coding leaderboard.
- Solved **1000+ Data Structures and Algorithms problems** across platforms like **LeetCode** and **GFG**.
